

# SPAZA 24/7

## Combination Vending Machines

### TRANSACTION SYSTEM

Offers your users to dispense product using electronic tags, smart cards stick-on tags or even using a smartphone app.

### PRESENTATION

Double-glazed thick glass door for visibility and security.

### RELIABILITY

Vend sensor in the delivery box guarantees product delivery every time.

### ADJUSTABLE SHELVING

Adjust shelf height, tilt, spirals as well as Helix adjustability to vend almost anything.

### SECURITY

Secure door with wraparound anti-vandal enclosures and anti-theft device installed in the delivery box.

### ENERGY EFFICIENCY

Fully insulated cabinet, double-glazed viewing window and LED lighting reduces energy costs.

### MACHINE BRANDING

Design, printing and application of custom branding onto machines (optional).

### FAULT REPORTING

Unique QR code displayed allows users to easily report faults and get immediate response with reference number.

Get amazing value for money with the Spaza 24/7, with 90 degree door opening, compact design and high capacity tray option.
